

World Environment Day 2025

Department of Nepali, Khangchendzonga State University, Sikkim, commemorated World Environment Day 2025 with a vibrant programme held at the university's academic block. Centred on the theme Environment in Literature and Poetry, the event aimed to promote environmental awareness through creative expression.

The programme was graced by the Head of the Department, Dr. Suchan Pradhan, along with esteemed faculty members Dr. Reena Rai, Dr. Ratna Bahadur Rasaily, and Dr. Krishna Sapkota. Students from the second and fourth semesters actively participated in the event, both as performers and volunteers.

In the poetic segment, Miss Srijana Sharma, Sawin Subba, Miss Lalita Chettri, and Arati Sharma captivated the audience with their original poems highlighting environmental themes, concerns, and reflections.
